and we get letters...

Dear Casper,
I think it's awesome that you can fly through things. It's even better when you teach Spooky a lesson about scaring people. Sometimes when I hear that my sister Rima is coming to the bedroom, I shut off the lights and close the bedroom door. Right when she opens the door, I go "Boo!" I read you're comics every day and I think they're cool. My dad owns a gas station and he gets new ones every Wednesday. I really like the comic covers you have on them.
You best fan, Marwan Nasr
Canada

Dear Marwan,
If I were you, I wouldn't "Boo" your sister any more, Marwan! Remember, Spooky always seems to get in trouble when he scares people—especially when Pearl is watching him! I'm glad you like the covers on my comic books, Marwan, the artists at Harvey work very hard to draw them! And if you get a chance, Marwan, why don't you design your own Harvey comic book cover! You might even see it printed in the pages of your favorite Harvey comic book!
Your friend, Casper

Dear Richie,
My name is Akihito Koyama, and I've been reading your comic book for almost two years. Last week I bought a very strange fish called a mudskipper. It's a fish that can live on land! Next week I'm going to buy another one. I like keeping fish a lot and I wanted to know if you keep any fish at your mansion.
Akihito Koyama
Los Angeles, California

Dear Akihito,
That's a very odd fish you have there, Akihito, but I have something that's almost as odd! Instead of fish, I have two pet whales, Flippy and Floppy! I've taught them how to do tricks and I can even ride on their backs! Yesterday, mean ol' Reggie tried to play a prank on them by warming their water up with a portable heater, but his plan got short-circuited when Flippy and Floppy splashed water all over him!

Your friend, Richie
Dear Hot Stuff,
You are really fun. I wish you could come to my house. It would be fun. We would play basketball, play with my dog and feed the chickens. I am your number one fan. Don't forget to write back.
Your friend, Matthew Lohrman
Lebanon, MO

Dear Matthew,
Basketball is one of my favorite sports, Matthew, so I'd love to go over to your house and play! When I play basketball, I go on "hot" streaks where I never miss! The only problem, Matthew, is that when I burn the nets . . . I really burn the nets! My friends got so mad at me that now I have to use a mini-volcano as the basketball hoop!
Your pal, Hot Stuff

Dear Huey,
You are so big! You do things that are funny. I wish I were big. I have read about 90 funny comics of you! Why is your mom and dad so little and you are so big?
From Krystle Wilen, age 7
Elkton MD

Dear Krystle,
If you want to get big like me, Krystle, just eat lots of food! My Momma says a growing duckling like me should eat all the time! Papa says I eat too much, but for lunch I only had 14 sandwiches 10 bags of potato chips and 11 sodas! I'm not sure why I'm so big, Krystle, but Papa showed me a picture of his brother and he was even bigger than me! I think Papa's brother used up all the "big" and that's why Papa is so little!
Your friend, Baby Huey

Dear Casper,
Hello! My name is Vincent, and I am six years old. I like to read comic books very very much. You're always so nice and friendly. I have some of your video tapes and just love to watch them. I'm doing real well in school and making good grades. When I grow-up I want to be an artist! Tell all your friends I said, "Hi!" Also tell them to take care of themselves!
Love, Vincent Jones.
Whiteman, AFB. MO.

Dear Vincent,
Thanks for the kind words, Vincent, and I'm glad to hear you're doing so well in school! Even though I'm a ghost, I go to school too and my favorite subject is "boo"-ology! Spooky doesn't like school, Vincent, so he used to scare all the teachers away—that is until Pearl's Aunt Ghoulad became our teacher!
Your Friend, Casper
